Chinese Export Porcelain in the
Reeves Center Collection at
Washington and Lee University

Case Study

The Reeves Center, one of the largest collections of Chinese Export Porcelain in the world, commissioned TMI to design and produce a beautifully illustrated volume featuring over 280 examples of some of the finest pieces from Portuguese, Spanish, Dutch, French, English and American markets.

Feedback

"This is the book that Chinese Export porcelain collectors and admirers have been anticipating eagerly ... and it has proved itself well worth the wait. Beautifully photographed and clearly designed with the objects sensitively illustrated in proper scale."

– Letitia Roberts, former Senior VP and director of European Ceramics and Chinese Export Porcelain, Sotheby's, New York
